Advance payment of one complete year's tuition fees will be entitled to a 5% discount on the tuition fee.

Sibling Discount

Sibling Discounts will be applied to the school fee after any annual payment discounts have been deducted.

Penalty for Overdue Payment

Payment must be made by the due date as stated on the invoice. Overdue payment will incur a late penalty of 3% per month of the outstanding balance after the due date.

In the event that Fees are not paid in full (received as cleared funds by the School) by the due date for payment, the School may also, by notice in writing to the Parents, set a new date for payment of such Fees (or outstanding balance). Failure to complete payment by such date: the student will be deemed to have been withdrawn from school and also may result in the School taking legal action.

Receipts of Payments

Receipts of payments will be issued specifying the description of the fees and the actual amount received by the school only.

Enrolment Conditions

Term tuition fees must be paid two weeks before the first day of the term. Students may not be allowed to start school until full tuition payment has been made.

Late Admission

Tuition fees will be prorated according to the number of remaining days for students commencing school when the start day is more than 16 school days after the term starts. Full term tuition fees will be charged for a student who enrolls within 15 school days after the term starts.

Payment for After School Activities

There will be no confirmed admission to an Afternoon Activity course until full payment is received. Registrations will only be confirmed when full payment for the course is paid. There is no refund or credit for school activities cancelled by parents.

EAL and Learning Support fees are term based with a minimum number of sessions specified at the start of the term. Make up classes will be provided if the school cancels the class and the term minimum is not met.

Advance Payment Policy and Refund Conditions

For families that choose to pay the full year's tuition fee in advance, the following conditions apply if the family decides to leave before the completion of the term:
